BEEHIVE DESIGN BLOCK - ORGANIC BLOCKS

BEEHIVE DESIGN BLOCK - ORGANIC BLOCKS

The shape of BEEHIVE results from the union of different geometrical planes that grow in an organic way. It is a progression from a basic honeycomb, at once natural and contemporary. The pattern appears to move, yet it is balanced, giving dynamism, energy and emotion to the environment.

CHOCK DESIGN BLOCK - ORGANIC BLOCKS

CHOCK DESIGN BLOCK - ORGANIC BLOCKS

Designed for high visual impact in larger areas and spacious rooms, CHOCK has four diagonal lines that emerge from the center of each square, like four windows that open in different directions. Thanks to the simple geometry of the four pieces that compose CHOCK, each piece retains its identity while blending into the overall effect.

PEAK DESIGN BLOCK - ORGANIC BLOCKS

PEAK DESIGN BLOCK - ORGANIC BLOCKS

Each square of the PEAK is made up of four asymmetrical triangles that converge at a peak. The repeated pattern suggests the idea of mountains and creates a reflection of the surrounding light. Turning to nature for inspiration, PEAK creates different moods based on the mixing and matching of colors.

SENSES DESIGN BLOCK - ORGANIC BLOCKS

SENSES DESIGN BLOCK - ORGANIC BLOCKS

A smoothly curved hourglass shape is organized in horizontal and vertical orientations, creating an organic pattern. The shape of SENSES is inspired by the undulations of nature, while its volume gives dimension to smooth walls. SENSES can cover walls partially or entirely, allowing flexibility and individuality.

STRIPS DESIGN BLOCK - ORGANIC BLOCKS

STRIPS DESIGN BLOCK - ORGANIC BLOCKS

Composed by a series of horizontal stripes, the STRIPS are the perfect connection between simplicity and comfort. It is based on a high quality cork core with a selection of high density cork granules, and the final result is a continuous wall with a modern aspect. Its stripes and volume gives the piece a unique light effect.

CORK BRICKS GRAND

CORK BRICKS GRAND

CORK BRICKS GRAND is an allusion to the traditional brick, while renewing the vision of cork in its natural form, yet continuing the sense of comfort and warmth. The CORK BRICKS GRAND provide an immensity of pattern possibilities, through the endless array of shape and color combinations. The style of European artisanship and the handmade contemporary appeal provide an irreverent appearance to the CORK BRICKS GRAND, while the inherent aspects of cork still remain true.

METALEGANCE ROLLING - METALLIC

METALEGANCE ROLLING is undoubtedly a redefinition in wallpaper concept. The backing is made of high quality recyclable acrylic fibers, and it has a special compound of metallic particles on the surface. The unique shades and color effects are achieved through the use of different color minerals in a high-tech chemical process. Due to its composition, it is an extremely flexible material that is much more resistant and appealing than ordinary wallpaper. It is great to prevent and cover cracks, with an enormous dimensional stability. It is highly resistant to: fire, UV rays, scratches, vapors and other kinds of moisture.
