

High performance vinyl safety flooring for contract applications

Tarasafe Standard with PUR surface treatment is a slip-resistant safety vinyl floorcovering, with a PVC wear layer and deeply inlaid mineral crystal particles (patented). It is reinforced by a glass fibre grid and available in a sheet format. It is an ideal solution for heavy traffic applications where slip-resistance, durability, hygiene and easy maintenance are required.

7801 Noir
LRV: 5.7 - WR: 0675

7302 Sahara
LRV: 35.1 - WR: 0094
