

Scan (SCAGLONITBL)

Nitrile Coated Knitted Gloves - L (Size 9)

Scan Nitrile Coated Knitted Gloves are resilient to both grease and fuel, making them ideal for handling small oily parts. The tough palm and finger nitrile coating provides effective abrasion and puncture resistance. A 13g knitted seamless polyester liner improves comfort. Conforms to EN420 and EN388 Standards. 1 x Pair of Scan Nitrile Coated Knitted Gloves - L (Size 9)
