

Bolle Safety (BOLATOAPSI)

Atom PLATINUM® Safety Goggles Clear - Ventilated

The Bolle Atom Safety Goggles are compact and lightweight. The TPR (Thermo Plastic Rubber) and flexible frame ensure excellent comfort, whilst providing high protection. The goggles have an adjustable strap for a secure fit, and will fit over prescription spectacles. The lenses have an anti-scratch and anti-fog PLATINUM coating. The BOLATOAPSI Safety Goggles are ventilated. They protect against medium energy impacts (120m/s). Conform to standard: EN1663BT.
