

Thor (TH0712)

712 Nylon Hammer Plastic Handle 38mm 650g

Chrome plated zinc head (except TH0720 12-720N which has a cast iron head) with two screw-in nylon faces which are designed to be replaced when worn. TH0708, TH0720, TH0710R and TH0712R are fitted with wooden handles while TH0710, TH0712, TH0714 and TH0716 have plastic handles. All have two white nylon faces except TH0710R and TH0712R which have one white nylon and one soft grey face. Available in 6 different weights. Used as a multi-purpose striking tool in most assembly applications including engineering, furniture making, shopfitting, partitioning, double glazing and injection moulding operations. Alternative colour coded faces to distinguish hardness are also available. Diameter 38mm (1 1/2 in). Weight 650g (1 1/2lb).
