

IRWIN Vise-Grip (VIS10505876)

High Leverage Combination Pliers 200mm (8in)

IRWIN Vise-Grip combination pliers have an induction hardened chrome nickel steel cutting face that stays sharper for longer and improves durability. Machined multi-grip jaws for maximum gripping strength. Moulded ProTouch grips for comfort and less hand fatigue. 180mm (7in) and 200mm (8in) are high leverage handled. 1 x IRWIN Vise-Grip High Leverage Combination Pliers 200mm (8in)
